 Note there certainly seems to be some connection between the Billings Bridge Ont and the Batavia NY families but we unable to discover what it is. This William Norton seems to be same man called William H and married Sarah Hull who was a widow at Batavia NY in 1890. This man came to American "when quite young was Episcopalian and Knight Templar. Those wishing to trace thru this group can do so at Batavia and at Billings Bridge we understand is near Ottawa or Toronto, not sure which
